**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good, right?

I use Sonic, a small northern California broadband provider. I've used ATT and comcast and they stink and were way more expensive. I support local broadband companies who will not throttle data. i want a competitive and fair internet. Please help local broadband providers stay competitive.

Thank you!
